New Patients Welcome

“experience a magical tooth tour today”

How White Are Your Teeth?

- ◆ Learn about new and existing *tooth whitening techniques*. You could have a *youthful white smile* again in as little as *one week of easy treatments* you can perform in the comfort of your own home.
- ◆ Find out about how easy it is to *correct naturally flawed, stained or discolored teeth*.

Do You Like Your Smile?

- ◆ Learn how easy it is to *correct crowded, overlapping, crooked, spaced out, disproportionate, chipped, short or worn teeth*.
- ◆ Obtain the smile of your dreams through *adult orthodontics*.
- ◆ If you want *instant results*, learn what is possible through the use of *Veneers, Bonding, Inlays, Onlays, Crowns, Bridges, Implants and Removable Dentures*.

How Healthy Are Your Gums?

- ◆ Are your Gums *red, swollen, receding, or bleeding*?
- ◆ Learn the *signs of Gum and Bone Disease* and what you can do to keep your gums healthy.
- ◆ Gum Disease is the largest cause of tooth loss in adults, you will *learn what you can do to keep your gums and teeth healthy for life*.

Are You Going To Keep Your Teeth For Life?

- ◆ Learn all you need to know, to ensure you *keep and enjoy a beautiful healthy smile for your entire life*.
- ◆ *Smile enthusiastically at everyone around you*, with the confidence that you know what it takes to maintain and enjoy your beautiful smile for a lifetime.
- ◆ This course guarantees to give you *something to smile about!*

Think of the last time you posed for a picture. Did you flash your pearly whites or did you hide your teeth. If the look of your teeth is keeping you from feeling your best, you'll be glad to know about the simple solutions we have to offer you. Come to our seminar and find out about what modern Dentistry has to offer you ,and the next time someone says...,

*“Say cheese,” **You'll be happy to oblige.***

THE SPEAKER:

Dr. John Viviano B.Sc. D.D.S obtained his credentials from the University of Toronto and has maintained a private practice of Family and Cosmetic Dentistry in Ontario, Canada since 1983. He maintains a special interest in the conservative treatment of sleep-disordered breathing. A member of various sleep organizations, he is credentialed by the certifying board of the Academy of Dental Sleep Medicine, and has lectured internationally on the treatment of sleep disordered breathing and the use of Acoustic Reflection. He has authored articles reviewing Acoustic Reflection and establishing protocols for its potential utility in assessing airway normalization.
