THE SPEAKER:

Dr. John Viviano B.Sc. D.D.S obtained his credentials from the University of Toronto and has maintained a private practice of Family and Cosmetic Dentistry in Ontario, Canada since 1983. He maintains a special interest in the conservative treatment of sleep-disordered breathing. A member of various sleep organizations, he is credentialed by the certifying board of the Academy of Dental Sleep Medicine, and has lectured internationally on the treatment of sleep disordered breathing and the use of Acoustic Reflection. He has authored articles reviewing Acoustic Reflection and establishing protocols for its potential utility in assessing airway normalization.
